

Job Position: Plant Yard Assistant

Job Type: Full-Time Seasonal

Start Date: Mid-March to early April

End Date: Mid-October to early November

Pay Rate: Hourly, negotiable based on skills and experience

Water Crest Farms Nursery, located in West Grove, PA, is hiring a full-time Plant Yard Assistant for the 2021 season. We are a family-owned nursery, re-wholesale plant distribution center, and retail garden center offering the area's the best selection of trees, shrubs, perennials, and grasses.

The Plant Yard Assistant will be responsible for:

- Retail sales and customer service
- Upkeep of plant stock: watering, pruning, moving/organizing, fertilizing, weeding, price tagging, etc.
- Collecting/pulling stock for pre-orders and in-person shoppers
- Loading orders onto customer vehicles & tying down/tarping trees for transport
- Unloading and organizing incoming plant material
- Ringing up customers via QuickBooks and card reader
- Miscellaneous tasks as necessary. This position is responsible for helping our sales staff cover the many daily responsibilities that it takes to keep our plant yard running smoothly. You will need to be able to pivot to new tasks frequently throughout the day.

The right candidate for the job will:

- Have basic knowledge of plants, we're happy to teach you the details
- Enjoy working outdoors in ALL weather conditions
- Enjoy sales/direct contact with customers
- Show up with teamwork-focused and positive attitude
- Be adaptable - this is a very multi-faceted roll

Job Requirements:

- Ability to work Monday-Friday 7:30 – 4:30 PLUS some Saturdays in the spring and fall
- Experience operating machinery (skid steer and tractor) a BIG plus
- Ability to move/lift 40+ lbs many times a day
